Please include a copy of your most recent statement from the delivering institution.

In the event that, for any reason, any of the securities held for my account cannot be delivered to Questrade Inc. in accordance with this instruction, I request that you contact me in writing immediately, indicating the security affected and the reason for the inability to deliver. I acknowledge that you may require a fee to be paid prior to delivery of this account(s) and hereby instruct Questrade Inc. to pay or deduct from any credit balance with you this fee in accordance with your current published schedule. I have also requested Questrade Inc. to act on my behalf in the resolution of any incidental account differences or adjustments which may arise with you as a result of this transfer request. **Please cancel all open orders (G.T.C./SFW/PAC, etc.) for my account(s) on your books.**

The Canadian Securities Administrators (CSA) announced that, as of June 1, 2022, order execution only (OEO) firms like Questrade should no longer hold mutual funds that pay a trailer fee. This means that trailer paying mutual fund securities should not be transferred to OEO dealer accounts. I acknowledge and agree that where necessary to comply with applicable regulatory requirements, any mutual fund securities transferred in for which a trailing commission is payable will be switched to a corresponding class or series of the same mutual fund with no trailing commission.

I certify that the information in this form is accurate and authorize the transfer of my account to Questrade. Where I have requested a transfer in cash, I authorize the liquidation of all or part of my investments. I agree to pay any applicable fees, charges or adjustments.
